

The Wellasaurus Song

A Wellasaurus
A Wellasaurus

A Wella- Wella- Wellasauruses are big and green
They like to keep things really clean
But tiny germs cannot be seen
So keep two metres in-between!

A-Wellasauruses like staying safe
And always sit in their own place
They've lots of love to give and so
They don't give hugs, they wave hello!

Be like a Wellasaurus
'Cause they know what to do
They keep apart two metres
And listen to instructions too!

Be like a Wellasaurus
A Wellasaurus understands
We all keep safe while having fun,
So stomp your feet and wash your hands!

A Wellasaurus
A Wellasaurus

A Wella- Wella- Wellasauruses are very smart
They've got big brains and bigger hearts
And that is why they stay away
To keep those nasty germs at bay!

A-Wellasauruses like smelling flowers
And wash their hands after every hour
And as they wash they sing along
To the Wellasaurus song!

Be like a Wellasaurus
'Cause they know what to do
They keep apart two metres
And listen to instructions too!

Be like a Wellasaurus
A Wellasaurus understands
We all keep safe while having fun,
So stomp your feet and wash your hands!

A Wellasaurus!
